

SABA-NJ Call for CLE Sponsors and Hosts

New Jersey Continuing Legal Education (CLE) Programs

SABA-NJ is expanding its CLE programming and invites members, law firms and organizations to partner with us as **sponsors and/or hosts** for upcoming CLE programs.

As part of this initiative, SABA-NJ is seeking:

- **Firms willing to host in-person CLE programs**, where space is available; and/or
- **Sponsors interested in supporting CLE programming**, including contributions toward CLE application fees, food and refreshments (for in-person programs), or other associated costs.

SABA-NJ will continue to handle program development, CLE accreditation, speaker coordination, and promotion. Sponsorship and hosting support allows us to broaden the scope, frequency, and accessibility of our programming for New Jersey practitioners.

Firms interested in hosting, sponsoring, or contributing in other ways are encouraged to reach out and share how they may be able to support upcoming programs.

For questions or to express interest, please contact the VP of Programming, Sara Khan-Duprat, at saba.nj.eboard@gmail.com.

We appreciate your support as SABA-NJ works to expand collaborative CLE offerings and elevate member visibility.
